## 100<sup>th</sup> Day of School Activities around the District

### School 9 Boasts 97% Attendance

School 9 created an "Attendance Task Force" in order to improve attendance and decrease chronic absenteeism. The school set a goal for 100% attendance for the 100<sup>th</sup> day of school on February 15<sup>th</sup>. All students who showed up were able to wear their favorite superhero shirt and jeans, received a free homework pass, and a future *dress down day*. They smashed it by achieving 97% attendance! Pretty amazing with a student population of 820!

Second graders at School 10 delivered 100% attendance and put great effort into 100<sup>th</sup> Day of School projects!

School 18 students masqueraded as 100-year-old senior citizens for the 100<sup>th</sup> Day of School!

School 19 physical education teacher, Hollie Zaccar's students created 100<sup>th</sup> Day of School activity calendars that required a bit of high-energy action to fill in!

School 19 1<sup>st</sup> grader, Zyonna Quick, constructed this awesome model of School 19 that features 100 replicas of students and staff!

The former principal of School 1, Ms. Maria Lopez, visited The Rev. Dr. Martin Luther King, Jr. School for a Black History Month/Valentine's Day story reading. The 2<sup>nd</sup> graders read a story about Louis Armstrong and his song, *What a Wonderful World*. The young lady in the photo next to Ms. Lopez is her granddaughter, Leonor.
