## INTRODUCTION

It is the mission of the Paterson Public School District to prepare each student to be successful in the institution of higher education of their choosing and in their chosen career. The District's vision is to be a leader in educating New Jersey's urban youth. This Student Code of Conduct Handbook is aligned with Priority II of the District's Brighter Futures Strategic Plan for 2014-2019; Safe, Caring and Orderly Schools.

The District recognizes that students have a fundamental right to a thorough and efficient public education, and that students have a corresponding duty to cooperate with teachers and administrators in fostering a school environment that is conducive to learning. Because school attendance and good discipline are essential to an orderly and effective learning environment, it is the duty of the school community to ensure that its members respect one another. Students, families, and schools must work together to achieve this goal.

The District acknowledges its legal and moral responsibility to provide an atmosphere for a sound educational program promoting optimum conditions for learning. Violations of school rules and District policies by students are addressed in accordance with the Code of Conduct. The Code of Conduct provides guidelines for school responses to misconduct that take into account, at a minimum, the severity of the offenses, the developmental ages of the student offenders, and students' histories of inappropriate behaviors.

This Handbook is designed to give students, parents, teachers, and school administrators an easily understandable set of expectations for conduct and standards for correction that will ensure due process and accountability throughout the District.

Please familiarize yourself with this Handbook. We appreciate your understanding and support in ensuring that our schools are an educationally sound and safe place to learn.

## CONDUCT EXPECTATIONS FOR STUDENTS

The District recognizes that an effective instructional program requires an orderly school environment. The effectiveness of a successful educational program is, in part, reflected in the behavior of students.

The District expects each student to behave in keeping with his/her level of maturity and with appropriate regard for the rights and welfare of other students, and the educational purpose underlying school activities, and with due care for school facilities and equipment.

The District requires that school administrators and staff consistently and uniformly adhere to enforcing the Student Code of Conduct. This will provide an easily understandable set of expectations for conduct and standards for correction that will ensure due process and accountability throughout the District.

Students must demonstrate courtesy and respect to all members of the school community, to avoid engaging in conduct that is offensive, and to stop those behaviors when asked or told to stop. Students also must at all times comply with Federal and State laws, District policies and regulations, and instructions from school authorities.

Additionally, students are expected to attend school every day and to arrive on time. Students must attend scheduled classes on a regular basis in order to keep up with coursework, achieve course objectives, learn skills and acquire knowledge, and earn the course credits required for grade promotion graduation from high school. Every effort should be made to avoid unnecessary absences and instances of lateness.

The Student Code of Conduct is based on the following core ethical values adopted by the District:

- a) Respect for self and others
- b) Honesty/trustworthiness
- c) Responsibility
- d) Caring

All students are expected to embody the ethical values of the school community as follows:

1) Be respectful by:

- Showing concern and regard for everyone;
- Avoiding the use of profanity and inappropriate language;
- Being non-violent; and
- Adhering to school rules and procedures.

2) Be trustworthy by:

- Being honest and telling the truth;
- Refraining from cheating and stealing, and do not tolerate those who do;
- Respecting the property of others; and
- Honoring commitments to parents, family, teachers, and peers.

3) Be responsible by:

- Accepting the consequences of your behavior;
- Striving to do your personal best;
- Being prepared for school and attending all classes on time every day; and
- Making academics the primary goal.

4) Be caring by:

- Considering the feelings of others;
- Using mediation to solve disagreements;
- Asking for help if needed; and
- Valuing differences in self and others.

Students, parent(s) or legal guardian(s), school administrators, and the District all agree that positive student commitment and behavior are essential effective learning. We believe that it is important to help students realize that their own attitudes and actions are directly related to their school experiences and that of their classmates. With the support and assistance of school personnel and parent(s) or legal guardian(s), all students can demonstrate actions which contribute to the effectiveness of schools and the worth of their learning experiences. All students, regardless of their age and ability, can behave in ways that enhance the social relationships of the school and facilitate learning.

## **SEARCHES AND SEIZURES BY SCHOOL OFFICIALS**

Lockers, desks, and other storage areas are property of the District and may be searched by school officials at any time and for any reason, or for no reason. Prohibited items will be confiscated and may be reported to the proper authorities.

To maintain a safe, orderly school environment that fosters learning and academic achievement, a school official may use a metal detector/wand to screen students and their personal effects (e.g. purse, book bag or personal electronic device). Additionally, the person and property of a student can be searched manually, with or without assistance from law enforcement, if a school official reasonably expects to find evidence that the student has violated or is violating either the law or the rules of the school. The scope of the search must not be overly intrusive and should be reasonable under the circumstances given the student's gender and level of maturity, the causes for suspicion, and the nature of the suspected violation.

School personnel are not permitted to conduct cavity searches or strip searches. A pat-down search may be conducted with assistance from school security personnel. School officials are advised to seek assistance from local police if a more intrusive search of a student's person is necessary. When possible, searches should be conducted in private. If a school official determines to conduct a search, he or she should inform the student of the reason(s) for the search.

To minimize school disruption and preserve evidence, a student who refuses to comply with a search request will be moved to a designated classroom or office immediately (away from other students if possible), where school officials will supervise the student until a parent and/or police officer arrives to assist with the situation.

## **HARASSMENT, INTIMIDATION AND BULLYING**

The Paterson Public School District strictly prohibits the harassment, intimidation and/or bullying of any student. Prohibited conduct includes written, verbal and physical acts of harassment, intimidation and/or bullying, as well as cyber-bullying. Any act of harassment, intimidation and/or bullying will be considered a Category II offense, at a minimum. A single act of harassment, intimidation and/or bullying may be considered a Category III offense, depending on the nature and severity of the act.

Harassment, intimidation and bullying means any gesture, any written, verbal or physical act, or any electronic communication, whether it be a single incident or a series of incidents that is:

- reasonably perceived as being motivated by either any actual or perceived characteristic,
  - such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability, or
  - by any other distinguishing characteristic;
- that takes place on school property, at any school-sponsored function, or on a school bus;
- and substantially disrupts or interferes with the orderly operation of the school or the rights of other students;
- and a reasonable person should know, under the circumstances will have the effect of
  - physically or emotionally harming a student or damaging a student's property; or
  - placing a student in reasonable fear of physical or emotional harm to his person or damage to his property; or
  - has the effect of insulting or demeaning any student or group of students.
- and creates a hostile educational environment for the student by interfering with a student's education or by severely or pervasively causing physical emotional harm to the student.

## **SEXTING**

The taking disseminating, transferring, or sharing of obscene, pornographic, lewd, or otherwise illegal images of photographs, whether by electronic data transfer or otherwise (commonly called texting, sexting, emailing, etc.) may constitute a CRIME under state and/or federal law. Any person taking, disseminating, transferring, or sharing obscene, pornographic, lewd or otherwise illegal images or photographs will be subject to the disciplinary procedures of the school district; and reported to law enforcement and/or other appropriate state or federal agencies, which may result in arrest, criminal prosecution, and LIFETIME inclusion on sexual offender registries.

## DRESS CODE

The District recognizes that styles of grooming and dress communicate individual preferences and can influence student behavior and enhance a school's learning environment. Students are expected to dress appropriately for school – this means being clean and well groomed in appearance, avoiding styles of dress and grooming that disrupt the school environment or distract other students. Such limitations on a student's taste and individuality are necessary to achieve the educational goals of the school.

Styles that interfere with the school's educational program and mission of the school will not be tolerated. Clothing or accessories that pose a danger to the health or safety of students, staff, or are injurious to school property are prohibited. Students are expected to wear appropriate clothing and may be required to wear a school uniform. Those who do not follow the school's dress code or uniform requirements may be disciplined.

Students who violate the dress code may be removed from class until a parent/guardian arrives and provides appropriate attire. To prevent the loss of class time, parents/guardians are reminded to monitor their children's attire before they leave for school.

- Students are expected to wear school uniforms.
- Hats, hoods, scarves, or other head coverings cannot be worn except for religious or medical purposes.
- Coats and jackets should be placed in lockers or other designated storage areas during school hours unless instructed otherwise by school officials.
- Platform shoes, flip-flops, slippers, open-back strapless shoes, and shoes with loose or untied laces or straps which pose a safety hazard are not permitted.
- Clothing that is revealing, provocative, or see-through is not permitted.
- Sagging pants and exposed undergarments or midriffs (belly shirts) are not acceptable.
- Shorts and skirts must come down to the length of the student's extended fingertips
- Spandex clothing is permitted in P.E. classes only.
- Hanging pocket chains, sunglasses, hats, head rags, handkerchiefs, bandanas, gang paraphernalia and clothing that displays profanity or encourages gang affiliation, violence or the use of drugs, alcohol, or tobacco, or has sexual connotations is not permitted.
- Unless the school has a uniform for physical education classes, students participating in physical education class are permitted to wear any color shorts or sweatpants and t-shirt without penalty.

Refusal to comply with the dress code may result in a Category I Discipline referral.

IN ALL INSTANCES, THE BUILDING ADMINISTRATOR IS THE FINAL ARBITER OF THE SCHOOL DRESS CODE.

## BEHAVIORAL SUPPORTS AND STUDENT DISCIPLINE

The District will provide comprehensive behavioral support to encourage students to fulfill behavioral expectations. Behavioral support will include positive reinforcement for good conduct and academic success, as well as supportive interventions and referral services.

Students may be subject to appropriate disciplinary action for violations of the Code of Conduct that occur on or off school grounds, including on a school bus or at a school-sponsored function. Disciplinary action may be imposed for conduct that occurs away from school if the conduct materially and substantially interferes with the requirements of appropriate discipline in the operation of the school. Approved disciplinary sanctions include:

- Admonishment
- Before/After-School Detention
- Lunch Detention
- Saturday Detention
- Early Dismissal Day Detention
- In-School Suspension
- Out-of-School Suspension
- Expulsion

Appropriate corrective and/or disciplinary measures will be determined based on the nature and severity of the offense and frequency of infraction. Grades will be based on each student's academic performance and may be lowered only as a direct penalty for plagiarism or other forms of academic dishonesty, and not as a form of disciplinary action. The use of corporal punishment is strictly prohibited.

Where the discipline is greater than an admonishment, the student's parent will be notified of the offense and of the discipline imposed and will be offered an opportunity to speak with the building Principal. For incidents of misconduct that occur outside of school, disciplinary action may be imposed if it is reasonably necessary for the physical or emotional safety, security, and well-being of the student or for reasons relating to the safety, security, and well-being of other students, staff, or school property. Due process procedures are described in **Appendix A** of this Handbook.

Conduct offenses generally fall into three categories of severity, with Category 3 infractions being subject to mandatory and serious disciplinary action. If a student repeatedly commits a Category 1 offense, the next occurrence may be elevated to a Category 2 offense and will be subject to more severe forms of discipline. Violations will be corrected in accordance with the student discipline chart in **Appendix B** of this Handbook.

Discipline will be applied without regard to race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression, or a mental, physical or sensory disability or by any other distinguishing characteristic.

## ATTENDANCE

The District recognizes the vital role of parents in the welfare and education of their children and the pivotal part they play in shaping character and values. Attendance and punctuality are the responsibility of each student and their parents.

Each time a student is absent from school without prior excuse, the student's parent will receive an automated telephone call. The parent may be asked to explain the reason for the student's absence. Students who are absent from school may also be excluded from that day's athletic and/or after-school activities. Additionally, unexcused absences from school or class may result in disciplinary action. Disciplinary actions will be imposed subject to the availability of school resources and supervisory personnel.

Students who are chronically absent or late will be referred to the school Intervention and Referral Team to determine appropriate interventions and to the school attendance officer to determine if a truancy investigation is warranted. Students who reach twenty (20) or more unexcused absences in any one class may not receive course credit for that class. Twenty or more unexcused absences from school may result in a loss of credit for the school year and grade retention.

Other consequences for poor attendance, chronic tardiness, and instances of truancy are outlined in **Appendix C** of this Handbook.

## APPENDIX A (DUE PROCESS PROCEDURES)

### **Informal Hearing**

Upon deciding to discipline a student, the building principal or their designee shall, however minimal the offense or the discipline, hold an informal hearing during which they will:

- a. Orally inform the student of the provision(s) of the Code of Conduct the student is accused of violating and the discipline that will be imposed; and
- b. Offer the pupil an opportunity to deny the charge or to present extenuating circumstances.

Violations of the rules regarding student conduct on school buses will be handled as follows:

- a. The driver will report the offensive conduct to the school Principal by submitting a completed written form that includes the name of the student, the school, and the specific offensive conduct;
- b. The parent(s) or legal guardian(s) will be provided a copy of the form describing the student's conduct; and
- c. The Principal or designee will determine the discipline to be administered, in accordance with the severity of the infraction.

Where the discipline is greater than an admonishment, the student's parent(s) or legal guardian(s) will be notified of the offense and of the discipline imposed and will be offered an opportunity to confer with the building Principal. Where the offense is serious and the discipline greater than detention, every effort will be made to notify the parent(s) prior to holding the informal hearing described above.

- e. The terms and conditions of the suspension.

### **Long-Term Suspensions**

- b. Ensure appropriate supervision of the student while awaiting the student's parent(s) or legal guardian(s) to remove the student from school during the school day;
- c. Ensure that the District, within 30 days of the initiation of the long-term suspension, holds a formal disciplinary hearing before the Board of Education or its designated representative(s); and
- d. Within two school days of the initiation of the long-term suspension, send to the parent(s) or legal guardian(s) written notification containing:
  - 1. An explanation of the specific charges and the facts on which they are based;
  - 2. The student's due process rights pursuant to N.J.A.C. 6A:16-7.3 (Long-Term Suspensions) and, if applicable, N.J.A.C. 6A:16-7.4 (Mandated Student Removals from General Education), N.J.A.C. 6A:16-7.5 (Expulsions), and/or N.J.A.C. 6A:16-7.6 (Conduct Away from School Grounds);
  - 3. Information regarding legal resources available in the community and the student's right to secure legal representation; and
  - 4. The District's right to expel the student in the event of further engagement by the student in conduct warranting expulsion, along with a request for parental acknowledgement of same.

**APPENDIX B  
(DISCIPLINARY SANCTIONS)**

Special education students are subject to the same disciplinary procedures as non-classified students and may be disciplined in accordance with their IEP or 504 Plan. Prior to suspending a classified student for ten (10) days or more, a Manifestation Determination hearing must be held to determine if the offensive conduct was caused by, or had a direct and substantial relationship to the disability, or was the direct result of a failure to implement the student’s IEP or 504 Plan.
